Any other Achievement /Information

Department

Chemical engineering department received funds for laboratory development from TEQIP-3, MHRD of 34.86 lakhs for five year in 2020.

Faculty

1. Dr. Prateek Khare awarded with start up grant from SERB DST New Delhi India for two years, December 2020.
2. Dr. Jyoti chaired session TieCoons'20, MMMUT on 23 Jan 2020.

Student

1. Ms. Anjali Tripathi, a student of Third year B. Tech. Chemical Engineering selected for global link summer research training program of Canadian Government. She will be working on Development of sustainable Bio-aggregate under supervision of Prof. Sumi Siddiqua, University of British Columbia, Kelowna, Canada.
2. Mr. Pulkit Garg joined as Junior research fellow under supervision of Dr. Prateek Khare.
3. Mr. Astitva Mishra, student of final year B. Tech. Chemical Engineering received admission offer for M. Tech. in Chemical Engineering Program from Indian Institute of Technology, Bombay and Indian Institute of Science, Bangalore. He is likely to be joined Indian Institute of Technology, Bombay.
4. Mr. Chadan Kumar Chaurasia 2020 pass out batch got admission in Indian Institute of Technology, Kharagpur.
5. Mr. Atul Pratap Singh, 2020 pass out batch got admission in Indian Institute of Technology, Roorkee
6. Mr. Rishabh Tiwari got admission in Indian Institute of Management, Bangalore.
7. Mr. Shivam Shukla, student of 2020 pass-out batch got admission in M. Tech. (Energy Science & Technology) program at Energy Institute, a center of Rajiv Gandhi Institute of Petroleum Technology, Bangalore.
8. Mr. Sukirti Dubey and Mr. Abhay Mourya 2020 pass out batch students got admission in Indian Institute of Technology - BHU
9. 14 Students passed GATE 2021, exam with high score.
10. IICHE MMUT student chapter has conducted webinar on resume writing and interview skill, 8 July 2020 in association with Wise Up communication
11. IICHE MMUT student chapter has conducted induction of 2nd year students, 3-8 October 2020.
12. Mr. Pulkit Garg has joined as JRF on SERB project SRG/2020/000722, on April 2021.
