

❄ Recording Studio

Recording Studio was established in department of Information Technology and Computer Application (ITCA) in the month of March 2021 under the TEQIP-III and now it is fully functional. The Studio is being used as central facility and the faculty members of various departments of this University are utilizing this studio for recording of their lecture sessions. These recorded lectures are being made available to the students who are presently pursuing their studies in online mode from their native places due to the COVID-19 pandemic situation.

The Recording Studio is fully equipped with the features of Full HD PTZ Robotic Camera, PTZ Camera Controller, Tripods for Camera Load, Full HD Interactive Display Panel with inbuilt OPS/PC, Digital Video Production Switcher for TV Studio, Full HD LED Display Panel for Studio, Analog Audio Mixer with USB Interface, Wireless Lapel Microphone, Battery Operated Transmitter, Professional Headphones, Professional Digital Video Recorder & Player, Single Video Streaming Encoder, Up/Down/Cross Converter, SDI Reclocking Distribution Amplifier, Workstation for Video Editing etc.
