**Functions and responsibility of the Research Ethics Committee are:**

- To provide advice and support on the commissioning and implementation of research and evaluations;
- To support oversight of the research / evaluation programme;
- To review emerging results from the research and evaluations in MMMUT;
- To advise on changes to, or augmentation of, research and/or evaluations if the need arises;
- To provide observations on design and review of services;
- To advise on the dissemination of research and evaluation findings and conclusions, particularly in relation to its utilisation as a mechanism to influence policy, practice and training.
- To any other activity as suggested by Hon'ble Vice Chancellor.

Reports of meetings of the RAC and any reports prepared by the RAC will be forwarded to Academic Council and the Board of Management (BOM) for its consideration and further action.
