The screenshot shows the Turnitin instructor interface. At the top, the Turnitin logo is on the left, and navigation links for 'Vithal GOLE', 'User Info', 'Messages', 'Instructor', 'English', 'Community', 'Help', and 'Logout' are on the right. Below the logo, there are buttons for 'All Classes' and 'Join Account (TA)'. The main heading is 'NOW VIEWING: HOME'. Underneath, a section titled 'About this page' explains that this is the instructor's homepage and provides instructions on how to create a class and view assignments. The main content area displays the name of the institution, 'Madan Mohan Malaviya University of Technology', and an 'Add Class' button. Below this, there are tabs for 'All Classes', 'Expired Classes', and 'Active Classes'. A red-bordered note box states: 'Note: Your class, "Chemical_papers", is set to expire within 30 days. Expired classes become read-only and are automatically moved into your expired classes folder. You can extend the end date of any class by clicking the class's "edit" icon below.'
