

About the Malaviya Research Conclave

Madan Mohan Malaviya University of Technology, Gorakhpur has started its pioneer annual event "Malaviya Research Conclave (MRC)" under the able and visionary guidance of our Honorable Vice Chancellor Prof. S. N. Singh. The first MRC-2017, organized during July 8-11, 2017 was inaugurated by Shri Yogi Adityanath, Hon'ble Chief Minister of U. P. Government. The second one, organized during July 6-8, 2018 was inaugurated by Prof. Sanjay Govind Dhande, a famed educationist and former Director of the IIT Kanpur, India. The third Malaviya Research Conclave (MRC-2019) was organized during Feb. 24-26, 2019. The conclave was designed to enable engagement between Policy Advisors, Corporate Leaders, Policy Makers and Academicians to help in generating a meaningful dialogue between the students as well faculty of our University. It was a staunch platform to nurture the engineering minds towards research, innovation and entrepreneurship, which intends to bring the integrity of the faculty & students towards both industries and academia to redress the academic research challenges, concerns of the entire student community and upcoming entrepreneurs around the country.

Who Can Attend?

- Professionals from Industries
- Students of PG / PhD Program
- Faculties from Engineering Institutions
- Researcher from Research Organizations

Important dates

Last date of Registration: Feb 10, 2020
Notification for Participation: Feb 10, 2020
Date of Conclave: Feb 22-24, 2020

Organizing Committee

Patron

Prof. Sri Niwas Singh

Hon'ble Vice Chancellor

Coordinator

Prof. Rakesh Kumar

Dean Student Affairs & Professor of Computer Science and Engineering

Deputy Coordinators

Dr. Sanjay Mishra

Associate Professors, Mechanical Engineering

Dr. Rajesh Kumar Verma

Associate Professors, Mechanical Engineering

Objectives of MRC

The prime objective of the conclave is to bring together the students and researchers from across the Universities to the wide spectrum of Science, Technology and Engineering fields. The other objectives of the conclave are:

- To enhance awareness about effective technical paper/report writing, teaching skills, issues of plagiarism, patenting, innovations, entrepreneurship and many more.
- To interact with researchers, academicians and technologists of renowned institutions of India and abroad.
- To provide an opportunity to know the on-going research activities of different institutes /universities/ colleges across the country
- To provide an opportunity for individual faculty to know various research philosophies and development of research environment in the University.
- A forum for sharing research work and a platform for new initiatives and partnerships.
- Interactions through the poster presentation/exhibition/discussions with research scholars and M.Tech. students in their respective research area. Every department selects one best research work presented through poster for appreciation award.
- Open panel discussions.
- Project funding opportunity

Fourth Malaviya Research Conclave

(MRC-2020)

February 22-24, 2020

Sponsored by TEQIP-III

Organized by
Madan Mohan Malaviya University of Technology, Gorakhpur

How to Register

A filled application form in the prescribed format signed by appropriate authority (along with payment slip) should reach to the coordinator(s) by speed post alternatively you can also mail the scanned registration form to rkcs@mmmut.ac.in, smme@mmmut.ac.in or rkvme@mmmut.ac.in latest by February 20, 2020.

Participants	Registration fees
Research Scholars	Rs. 2000
Faculty members	Rs. 3000
Industry Professionals	Rs. 4000

Mode of Payment

The payment for the registration fees can be made via Net Banking through detail given below:

A/C No: 33542824744

Bank Name: State Bank of India

Branch Name: MMMEC Gorakhpur

IFSC code: SBIN0002578

Branch Code: 2578

Address for Correspondence:

About MMMUT

Madan Mohan Malaviya University of Technology, Gorakhpur has been established in year 2013 by Govt. of Uttar Pradesh in the form of a Non-Affiliating Technical University after reconstituting the Madan Mohan Malaviya Engineering College, Gorakhpur which was established in 1962. Fifty-six batches of students have entered its portals to emerge after 4 years of rigorous education under the tutelage of some of the most venerable teachers, engineers ready to face the world and create new world. There are total 11 Departments after recent establishment of 4 new departments which offer B. Tech., M. Tech., MCA, MBA, BBA, MSc and Ph.D. courses in various specializations. The university is in the eastern part of the city on Gorakhpur - Deoria road, about 9 Kilometers from Gorakhpur Railway Station as well as from main Gorakhpur Roadways bus-station. It is a fully residential technological University, with seven boys' hostels, four girls' hostels, and residences for faculty and staff.

About Gorakhpur

Gorakhpur derives its name from the great ascetic saint Gorakhnath. It is located along the banks of Rapti river in the eastern part of Uttar Pradesh. It is the head quarter of north-east railways and is well connected by rail and road to all important cities of India. The city is famous for its well-known Gorakhnath Temple and Gita Press.

A number of historical, cultural and tourist sites lie in the vicinity of town. Kapilvastu, the home town of Lord Buddha, is about 90 km from here. The famous Buddhist site, Kushinagar, the nirvanasthal of Lord Buddha, lies at distance about 50 km. Maghar, the holy place of saint Kabir Das, is very near to Gorakhpur city and the Nepal border is at a distance of only 60 km from it.
