**MADAN MOHAN MALAVIYA UNIVERSITY  
OF TECHNOLOGY**  
Gorakhpur, Uttar Pradesh, India

## ABOUT THE CITY

The Gorakhpur is well connected by road and rail to all major cities Lucknow (270Km), Varanasi (197Km) and Patna (220Km). Direct flights are also available from New Delhi to Gorakhpur. The MMM University of Technology is situated on Deoria road about 9 Km from Gorakhpur railway station and 5 Km from the Gorakhpur air port.

Gorakhpur has been an integral part of the erstwhile Empires of Mauryan, Shunga, Kushana and Gupta dynasties. Gorakhpur is named after saint "Gorakshnath", who is said to be an eminent propounder saint of "Nath Sampradaya". Gorakhpur is the headquarter of N.E. Railway and the main terminus of Kushinagar, Kapilavastu and Nepal.

## ABOUT THE UNIVERSITY

Madan Mohan Malaviya University of technology, Gorakhpur has been established in year 2013 by Govt. of Uttar Pradesh in the form of a non affiliating teaching and research university after reconstituting the Madan Mohan Malaviya Engg. College, Gorakhpur which was established in 1962.

MMMUT offers undergraduate, postgraduate, doctoral level programmes in all major branches of engineering and technology as well as management.

## ABOUT THE CONFERENCE

Social networking and mobile cloud computing has gained high-minded attention in last few years. The future of mobile communications is likely to be very different to that which we are used to today. With the rapid development and increasing complexity of computer and technology, user's requirements for trusted computing and technology are becoming more and more demanding. Useful and innovative technologies in these areas are attracting researchers. This National Conference on Advanced Computational Science and Technology (NCACT) aims to bring together researchers, academicians, scholars and experts from various backgrounds and application areas in

Computer Science and Engineering. This conference will provide a platform for interaction to achieve exchange of ideas in new and emerging computer and informatics areas.

## CALL FOR PAPERS
