About University

Madan Mohan Malaviya University of Technology, Gorakhpur has been established in year 2013 by Govt of Uttar Pradesh in the form of a non-affiliating teaching and research University after reconstituting the Madan Mohan Malaviya Engineering College, Gorakhpur which was established in 1962.

Fifty one batches of students have entered its portals to emerge after 4 years of rigorous education. Its B Tech programme is presently accredited by NBA and has highly committed and experience faculty. The University is located at the Gorakhpur - Deoria road about 9 Km away from Gorakhpur Railway Station. In addition to UG and PG in Civil, Mechanical, Electrical, Electronics, Chemical, Computer Science and Engineering, University also offers MCA and MBA programmes. University is also a QIP centre for PhD programme.

Short Term Course On Advances in Computing Technology (ACT-2018) (Sponsored by TEQIP III)

12th March -18th March, 2018

Convenor

Prof. U. C. Jaiswal

Coordinator(s)

Dr. Divakar Yadav
Dr. Nagendra Pratap Singh

Organized by:

Department of Computer Science and Engineering

**Madan Mohan Malaviya University of Technology

(Established by U.P. Government Act No-22 of 2013)
(Formerly, Madan Mohan Malaviya Engineering College)

About ACT

The Department of Computer Science & Engineering is organizing one week short term course on Advances in Computing Technology (ACT-2018). The Course is designed for Faculties, Graduates and Research Scholars of Engineering Institutions and Industry Professionals. The course has been designed to cover both theoretical as well as the practical concepts in the respective emerging fields of Computer Science & Engineering along with the tools and simulators useful for the participants for their Training, Projects, and Research Work.

Course Contents

The Course provides in-depth coverage of the following important emerging areas along with hands-on-training on the respective state of the art Open Source Simulators and other Tools:

- **Image Processing and Computer Vision**
- **Soft Computing**
- **Cognitive Computing**
- **Machine Learning and its applications**
- **Neural Network and Fuzzy Logic**
- **Big Data and its applications**
- **Deep Learning**
- **Natural Language Processing**

The resource persons for the course will be faculty members, with strong research background from the renowned Institutions such as: IIT's / IIIT's / NIT's and eminent speakers from the Industry.

Eligibility Criteria

The program targets the Faculty, Research Scholars, Industry Professionals and PG students.

Registration Process

Participants can register for ACT-2018 by filling up the registration form. There is no registration fee. Please send the registration form by post at the address given below or scanned copy by E-mail at: act2018mmmut@gmail.com.
