extended. For completing the admission based on his/her merit and choice through counselling, the candidate is required to complete the following steps:

Step 1 Reporting: The candidate is required to report at the University in person as per counselling schedule given on university website. He/she must come with his/her Admit Card and submit a non-refundable demand draft of Rs. 500/- towards the counselling fee for each course at the reporting counter.

Step2 Document Verification: The candidate must get his/ her Document Verification done on the same day and collect the document verification certificate from the Officer available at the verification counter itself. A demand draft of Rs.10,000/-as part of University fee is essentially required to be deposited at the time of document verification. In case of any deficiency, he/she will not be allowed for further counselling process and the DD of Rs.10,000/-will be refunded.

Step 3 Seat Allotment: After all document verification for reported candidates for the day is over then the seat allotment shall be made on the basis of choices submitted by you in Step-1 as per your merit rank on the same day. **The candidates are allowed to change the choices submitted in earlier rounds of counselling.** Since the number of candidates called is quite more than the available seats, hence there is a chance that a candidate is not allotted the seat. University will not be responsible for the inconvenience caused due to this uncertainty.

Step 4 Confirmation of admission and deposition of remaining fee: The admission offer needs to be confirmed by the candidate through deposition of the remaining amount of the University fee on the **same day** on which admission offer is made, failing which the seat allotment will be cancelled automatically and Rs. 10,000/- shall be forfeited. Also, such seats falling vacant due to non-confirmation will be allotted to the next claimant candidate in order of merit in subsequent round of counselling.

Such candidates whose combined merit rank without rural weightage falls out of the called range will be out of this counselling process and should watch for subsequent schedule, if any on University website.*
