Procedure of seat allotment

Admission to the M.B.A./ M.C.A./ B.Tech. -II (Lateral Entry) courses in the University shall be granted based on the merit of the candidates for which the candidate has to appear as per schedule given above. The candidate is required to bring all the testimonials/ certificates/ documents in original & one set of photocopies along with three separate demand drafts of **Rs.500/-, Rs.10,000/- and confirmation fee as prescribed below** (all drawn in favour of **Madan Mohan Malaviya University of Technology, Gorakhpur**). **Candidates are required to come prepare to stay till late evening as the counselling may get extended.** For completing the admission based on his/her merit and choice through counselling, the candidate is required to complete the following steps:

Step 1 Reporting: The candidate is required to report at the University in person as per counselling schedule given on university website. He/she must come with his/her Admit Card and submit a non-refundable demand draft of Rs. 500/- towards the counselling fee for each course at the reporting counter.

Step2 Document Verification: The candidate must get his/ her Document Verification done on the same day and collect the document verification certificate from the Officer available at the verification counter itself. A demand draft of Rs.10,000/-as part of U niversity fee is essentially required to be deposited at the time of document verification. In case of any deficiency, he/she will not be allowed for further counselling process and the DD of Rs.10,000/-will be refunded.

Step 3 Seat Allotment: After all document verification for reported candidates for the day is over then the seat allotment shall be made on the basis of choices submitted by you in Step-1 as per your merit rank on the same day. **The choices submitted by the candidates in lateral entry during first and second rounds of counselling are not allowed to change in third round of counselling.** Since the number of candidates called is quite more than the available seats, hence there is a chance that a candidate is not allotted the seat. University will not be responsible for the inconvenience caused due to this uncertainty.

Step 4 Confirmation of admission and deposition of remaining fee: The admission offer needs to be confirmed by the candidate through deposition of the remaining amount of the University fee on the **same day** on which admission offer is made, failing which the seat allotment will be cancelled automatically and Rs. 10,000/- shall be forfeited. Also, such seats falling vacant due to non-confirmation will be allotted to the next claimant candidate in order of merit in subsequent round of counselling.

Note:

1. *Dual merit rank is awarded for the candidates who have claimed for Rural Weightage. Such candidates are called as per the combined merit ranks awarded with rural weightage. If a candidate fails to submit the certificate number 7 at the time of counselling, he/she will be considered for counselling, at the merit rank awarded without rural weightage as per the counselling schedule, which may or may not fall in the range of the ranks called for counselling as detailed above. Such candidates whose combined merit rank without rural weightage falls out of the called range will be out of this counselling process and should watch for subsequent schedule, if any on University website.*
2. *Result of seat allotment will be displayed after completion of document verification process on same day and admission offer letter will be issued on same day.
