About MMMUT, Gorakhpur

Madan Mohan Malaviya University of Technology (MMMUT), Gorakhpur has been established in year 2013 by the Government of Uttar Pradesh in the form of a non-affiliating, teaching and research University after reconstituting the Madan Mohan Malaviya Engineering College, Gorakhpur which was established in 1962.

The University is located in the Gorakhpur - Deoria road about 9 Km away from Gorakhpur Railway Station. In addition to UG in Civil Engineering, Chemical Engineering, Computer Science & Engineering, Mechanical Engineering, Electrical Engineering and Electronics & Communication Engineering, University also offers MCA, MBA, B.B.A M.Sc, M. Tech and Ph.D. programme in various specializations.

About HMSD

Humanities and Management Sciences Department (HMSD) was established on June 22, 2019. The department emerged out from 1962 established Applied Science Department and 2001 established Centre for Management Studies of MMMEC, Gorakhpur with a view to imparting teaching and promoting the implementation of practical aspects of Humanities and Management and to build a solid foundation as pivotal constituent of Management and Engineering education. Humanities and Management Science Department focuses on management education more than just business education. For the students and faculty, recently, a Memorandum of Understanding (MOU) was signed with IIM Indore where both of them will avail exposure to the world class teaching learning experience.

Assistant Professor
HMSD, MMMUT, Gorakhpur

Organizing Secretary

Dr. Kahkashan Khan
Assistant Professor
HMSD, MMMUT, Gorakhpur

Dr. Priyanka Rai
Assistant Professor
HMSD, MMMUT, Gorakhpur

Faculty Development Programme Objectives

We are living in the age of knowledge driven economy where technology has made the accessibility of knowledge much easier than before. Moreover, the need of employment is also increasing day by day. Therefore, it is really a challenging job for the faculties to deal with the students and provide them the desired knowledge of the subject as well as also equipped them with employability skills.

The main objective of the programme is to develop teaching, training and content development skills of the participants. The programme extensively covers the recent advancement in teaching methodology, research, pedagogies, effective presentation techniques, and behavioral skills for the comprehensive development of teaching fraternity.

Content Covered

The following topics will be covered during the FDP-

- Perspectives of effective teaching
- Result oriented teaching-learning
- Course preparation-Designing, Delivery and Assessment
- Aspects of Teacher-Student Relationship
- Enhancement of Cognitive skills of students
- Dealing with behavioral issues among students
- Communication skills
- Different aspects of student's- Personality, learning styles and learning behavior
- Teaching Pedagogy- Modern Teaching Pedagogical Methods
- Reconnecting class room teaching with lab/field assignments
- Class Handling-Importance of Gestures, Postures and Ethics
- Personality development-Enhancing employability skill among students
- Emotional Intelligence and Inspired Teaching

Participants

The FDP is exclusively designed for the students/faculty members of Engineering, Sciences and Management Areas.

Registration Process

- 1) Participants can register themselves through Google Form. Link will be shared.
- 2) Registration Fees: - Nil.
- 3) E-Certificate will be provided to only those participants who attend all the sessions.
