ABOUT THE UNIVERSITY

Madan Mohan Malaviya University of Technology, Gorakhpur has been established in year 2013 by Govt. of Uttar Pradesh in the form of a Non-Affiliating Technical University after reconstituting the Madan Mohan Malaviya Engineering College, Gorakhpur which was established in 1962. Fifty-six batches of students have entered its portals to emerge after 4 years of rigorous education under the tutelage of some of the most venerable teachers, engineers ready to face the world and create new world. There are total 11 Departments after recent establishment of 4 new departments which offer B. Tech., M. Tech., MCA, MBA and Ph.D. courses in various specializations. The university is in the eastern part of the city on Gorakhpur - Deoria road, about 9 Kilometers from Gorakhpur Railway Station as well as from main Gorakhpur Roadways bus-station. It is a fully residential technological University, with seven boys' hostels, four girls' hostels, and residences for faculty and staff.

ABOUT THE POCO WORKSHOP

The IEEE Region 10 Panel of Conference Organizers (POCO) is a high level annual International Workshop held for event organizers throughout the countries of Region 10 facilitating a platform to 58 IEEE Sections having 1250 student branches and more than 12.6 million members of the section to learn from the basics to every crucial aspect of organizing a successful IEEE conference.

There are many crucial issues that a conference organizer and its core team should be aware including, Staring a conference, applying to regional unit, signing MOU with IEEE, Conference quality, Technical Program and review of papers, non-ethical practices, writing & publishing research papers and best practices to organize a successful IEEE conference.
