ABOUT THE UNIVERSITY

Madan Mohan Malaviya University of Technology, Gorakhpur has been established in year 2013 by Govt. of Uttar Pradesh as a non-affiliating teaching and research University after reconstituting erstwhile Madan Mohan Malaviya Engineering College Gorakhpur, which was established in 1962.

The University provides the pollution free environment immensely suited for holistic growth and the development of the students. The University is located on Deoria road about 9 Km away from Gorakhpur Railway Station. The University offers UG in Civil Engineering, Mechanical Engineering, Electrical Engineering, Computer Science & Engineering, Electronics & Communication Engineering and Chemical Engineering and PG in MCA, MBA, MSc (Physics) and M. Tech in Civil, Mechanical, Electrical and Electronics & Communication Engineering. It is also a QIP center for the Ph.D. program in Civil, Electrical, Mechanical, Electronics and Communication Engineering departments.

ABOUT THE DEPARTMENT

The Department of Mechanical Engineering is one of the oldest department since the inception of the institute (1962). The department is undertaking a UG program in Mechanical Engineering, two PG programs (Computer Integrated Manufacturing, Energy Technology and Management) and a research program leading to Ph.D degree in related specialization. The research facilities in Mechanical Engineering Department are developing with addition of new equipments and laboratories, and modernization of old laboratories.
