ABOUT MMMUT GORAKHPUR:

Madan Mohan Malaviya University of Technology, Gorakhpur has been established in year 2013 by Government of Uttar Pradesh in the form of a Non-Affiliating Technical University after reconstituting the Madan Mohan Malaviya Engineering College, Gorakhpur which was established in 1962. Fifty-five batches of students have entered its portals to emerge after 4 years of rigorous education under the tutelage of some of the most venerable teachers. engineers ready to face the world and create new world. In addition to UG and PG programs in Electronics and Communication Engineering, Computer Science & Engineering, Civil Engineering, Mechanical Engineering, Electrical Engineering Chemical Engineering, and Information Technology. University also offers BBA, MCA, MBA and Ph.D. courses in various specializations.

ABOUT SVNIT SURAT:

The institute was initially established as REC. in 1961 and was upgraded as a NIT with the status of 'Deemed University' in, 2002. Sardar Vallabhbhai National Institute of Technology (SVNIT) is one of the pioneering engineering institutions of the country, the Institute of National Importance, which has contributed many outstanding engineers in India and abroad. It is conducting seven UG programs, eighteen PG programs, and a Ph.D. program in all disciplines of engineering and applied sciences as well as five year Integrated M.Sc. Programs in Mathematics, Physics and Chemistry. Special attention is also given to interdisciplinary researches.

ABOUT THE STTP:

The proposed STTP is a twinning activity programme and the main objective is to undertake collaborative educational activities to develop new knowledge, tools, and skills amongst researchers, post-graduate students, and practitioners of engineering and architecture, to evaluate the actual performance of (green) buildings from a technical and occupant perspective.

The main focus will be:

- To introduce and make the awareness to the fundamentals of green building and sustainable design.
- To demonstrating a positive impact of building performance evaluation through actual field experiences by inviting professionals / practitioners from different domain through their presented case studies.
- To impart training in terms of finding ways to improve performance as well as recognizing commissioning and operation practices that allows building performance to exceed design expectations.

The invited eminent speakers will present the outcomes of the research carried out in recent time. The program will be benefited by renowned academicians, professionals' practitioner, researcher, and engineers. Major themes of STTP would be as follows:

- Introduction to Building Envelope.
- Green Building Rating System: What, Why and How.
- Performance Evaluation of Building.

WHO SHOULD ATTEND

Faculty members from AICTE recognized institutes / research scholars / practicing engineers with bachelor degree in civil engineering/planning/ architecture are eligible for the STTP.

Last Date of Registration: 7th September, 2019. The complete registration form should be sent in a hard copy and MUST contain the signature and the seal of the Head of the Institution.
