

**CENTRE FOR MANAGEMENT STUDIES
M. M. M. UNIVERSITY OF TECHNOLOGY,
GORAKHPUR**

Vision of the Department:

To develop CMS as a world class management institution that aims to create global leaders and entrepreneurs by delivering academic excellence in management education.

Mission of the Department:

CMS strives to impart knowledge, open the minds of students and enable them to take best advantage of their educational opportunities.

The centre encourages students to innovate and create new ideas, conduct researches and live projects that contribute gainfully to society and develop critical thinking process.

To identify and remove restraints on students, allow full and fearless participation, so that individuals may explore their capabilities and interests and develop their full intellectual and human potential.

Objectives:

1. To impart need based education to promising young talents aspiring to carve their careers in management.
2. To enrich the field of management through research (applied and conceptual) and quality publications.
3. To enhance the decision making skills and the administrative competence of practicing managers through Management Development Programs and solve their specific problems through consultancy services.
4. Improve the faculty performance through continuing education, organizing and participating in seminars, workshops, and at National Level Conferences.
5. Motivate both faculty and students to undertake the research works of social requirements and to develop products through industry and institution co-operation.
6. To collaborate with the corporate and world class academic institutions for the furtherance of management education and research.
