About Induction Program

When new students enter an institution, they come with diverse thoughts, backgrounds and preparations. It is important to help them adjust to the new environment and inculcate in them the ethos of the institution with a sense of larger purpose. One week long induction program for the UG students entering the institution, right at the start.

Its purpose is to make the students feel comfortable in their new environment, open them up, set a healthy daily routine, create bonding in the batch as well as between faculty and students.

Eligibility Criteria

The first year (UG) students of all the engineering disciplines of the university, who are admitted in the session 2017-18.

Course Contents

The following are the activities under the induction program in which the student would be fully engaged throughout the day for the entire duration of the program.

- Physical Activity
- Creative Arts
- Universal Human Values
- Health related issues and facilities
- Education Outcomes
- Self-observation and peer pressure
- Improvement of Communication Skills
- Familiarization to Dept./Branch & Innovations and Schedule awareness
- Group Activities by Students

Summary of Induction Program

M. M. M. University of Technology, Gorakhpur was set up to generate well trained manpower in engineering with a feeling of responsibility towards oneself, one's family, and society.

The graduating student must have values as a human being, and knowledge and metaskills related to his/her profession as an engineer and as a citizen. Most students who get demotivated to study engineering or their branch, also lose interest in learning.
