GORAKHPUR

Important Notice

To pursue Red Hat Certified System Administrator program

Red Hat in collaboration with **Madan Mohan Malaviya University of Technology, Gorakhpur** and **Department of Technical Education & Vocational Education** and **Department of IT, Government of Uttar Pradesh** offers globally recognized Red Hat Training & Certificate Program (RHCSA) to the students of B.Tech.-II/III/IV of CSE, IT, ECE, EE branches as well as MCA-I/II free of cost as the course is being sponsored by the Government of Uttar Pradesh and the required fee shall also be paid by the Government for students of U.P. domicile.

The complete detail of the program is enclosed herewith in the brochure along with the google form link <https://tinyurl.com/redhatmmmut> for submitting the application. A 60-minute entrance test covering questions on aptitude, numerical ability, logical reasoning, computer fundamentals, etc. shall be conducted. The result will be announced within 3 days of the conduct of the test. **Please note that scoring 50% & more marks in the said test shall make you eligible to pursue this course. Multiple batches, each with max. strength of 50 shall commence parallelly.** So, considering this fact, it is requested to every student of above branches (UP Domicile only) to get registered for this program. The waitlisted candidate will be able to join if somebody on the main list fails to join or drops out of the program before the batch launch.

The said course shall run in online/offline mode along with students' regular study in the current semester at MMMUT, Gorakhpur.

The last date to apply for the said course is 28th December 2023 till 5 pm.

Prof. S. P. Singh
Dept. of IT & Computer Application
