**NOTICE**

**Attention: B.Tech- ECE 3<sup>rd</sup> year and M.Sc (Physics) students for Project Internship/  
Summer Training program**

**Dear Students,**

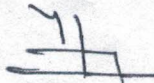

ITI Mankapur, Raibareli and Bangalore are running summer training program with the name of **"Finishing School for Engineering Students"** at three locations.

The success rate of the engineering students who have undergone this training in placement process is quite overwhelming.

Students are required to give only one option for their choice of place for this training program. Selection of students for this training program will be purely on merit basis.

It will be mandatory to attend training program in case students is selected by ITI. In case students do not attend the training program after final selection, he will not be allowed to appear in placement process.

The interested students are required to give their name for this training program to T&P office by 27th January.
