**Sub: Eight weeks/60 days Industrial Training/ Practical Training during Summer Vacation- 2019-20**

Dear Sir,

I am pleased to introduce the Madan Mohan Malaviya University of Technology, Gorakhpur established as Non-Affiliating Technological University by U.P. Govt. after reconstituting Madan Mohan Malaviya Engineering College, Gorakhpur which was established in 1962. The University offers 6 B.Tech., BBA and 12 M.Tech., M.B.A., M.C.A., M.Sc. Physics (Specialization in Electronics), M.Sc. Maths (Specialization in Computing) and Ph.D. programme in all disciplines. The curriculum of B.Tech. has requirement of Eight weeks/60days Industrial Training in summer after 2<sup>nd</sup>/3<sup>rd</sup> year of study.

In respect to aforesaid subject, it is to inform you that Mr./Ms. \_\_\_\_\_, a student of B.Tech. 2<sup>nd</sup>/3<sup>rd</sup> Year \_\_\_\_\_ Engineering student of Madan Mohan Malaviya University of Technology, Gorakhpur, is interested to undergo Industrial Training at your esteemed organization during summer vacation for a period of 60 days i.e. from \_\_\_\_\_ to \_\_\_\_\_.

I shall be highly obliged if you kindly allow him to undergo the said Industrial Training / Practical Training in your esteemed organization under the kind guidance of suitable official for the period mentioned above.

On behalf of the University, I take this opportunity to kindly grant necessary permission for the industrial training to aforesaid student(s) and oblige us. **It is important to mention that the students will themselves bear all the expenditure, risk and responsibilities during their training period, however the organization may pay stipend if deems fit.**

Thanking you,

**Head of Department**

- 
- The training could be done either at the industry or at University/institute or in combination of industry and University/institute. In case of combination, student must carry out 01month training in industry and 01month training in University/institute.
  - For B. Tech 2<sup>nd</sup> year students, industrial training/practical training can be carried out partially or fully in the summer after 4<sup>th</sup> semester or after 6<sup>th</sup> semester or in combination.
  - For B. Tech 3<sup>rd</sup> year students, industrial training/practical training could be carried out fully in the summer after 6<sup>th</sup> semester. In case students have already completed partial(01 month) training after 4<sup>th</sup> semester then that will also be considered during evaluation in 7<sup>th</sup> sem.
