## About University

Madan Mohan Malaviya University of Technology, Gorakhpur has been established in year 2013 by Govt. of Uttar Pradesh in the form of a non-affiliating teaching and research university after reconstituting the Madan Mohan Malaviya Engineering College, Gorakhpur which was established in 1962.

Fifty batches of students have entered its portals to emerge after 4 years of rigorous education under the tutelage of some of the most venerable Teachers, Engineers ready to face the world and create new world. The University is located in the Gorakhpur - Deoria road about 9 Km away from Gorakhpur Railway Station. In addition to UG in Civil Engineering, Chemical Engineering, Computer Science & Engineering, Mechanical Engineering, Electrical Engineering and Electronics & Communication Engineering, University also offers MCA, MBA and M. Tech and Ph.D. courses. in various specializations.

Established by U.P. Government Act no-22 of 2013

**(Formerly Madan Mohan Malaviya Engineering College)**

## About the Department

The Department of Mechanical Engineering, established in the year 1962, is imparting quality education to the students in the field of Mechanical Engineering through its Undergraduate programme. The department also runs Post Graduate programmes in Computer Integrated Manufacturing and Energy Technology and Management. The alumni of the department are today occupying highest positions in a large number of Governments, semi-government and private organizations in the country and abroad. The laboratories of the Department, which are modernized from time to time, are well equipped to cater to the research and development. The Department is now equipped with Flexible Manufacturing System procured under the TEQIP-II scheme.

## Objective of the Programme

The primary objectives of the course are as follows:

- Exposing the participants to different areas in Mechanical Engineering.
- Enhancing the capability of the participants to make research abilities in Thermal Engineering, Manufacturing Engineering and Design Engineering.
- Utilization of different energy sources in harmony with environment and their recent emerging trends.
- Providing exposure to advances in design and manufacturing problems and their solutions.

## Speakers

The resource persons for the FDP shall be the eminent speakers from IIT's / NIT's and Other reputed institutions.

## Registration

There is no registration fee for participation.

## Eligibility for Participation

Faculties from University/ Academic Institutions / Persons from Industry.

## How to apply

Participants are required to be registered using online registration link and also by sending scan copy of attached registration form to [ettdm2020@gmail.com](mailto:ettdm2020@gmail.com). Last date of application for participation in this Faculty Development Programme is 24/10/2020. Selected Participants will be informed by E-mail.

## Participation Certificate

Certificate of participation will be issued to all the participants only after successful completion of the programme.
