

Memorandum of Understanding

This Memorandum of Understanding (hereinafter called as 'MOU') is entered into on this

Date: 06.03.2020

BETWEEN

UltraTech Cement Ltd. is the largest manufacturer of grey cement, ready mix concrete (RMC) and white cement in India. It is also one of the leading cement producers globally, and the only cement company globally (outside of China) to have more than 100 million tonne capacity in one country. It has a consolidated capacity of 117.35 Million Tonnes Per Annum (MTPA) of grey cement. UltraTech Cement has 23 integrated plants, 1 clinkerisation plant, 27 grinding units and 7 bulk terminals. Its operations span across India, UAE, Bahrain, Bangladesh and Sri Lanka. In the white cement segment, UltraTech goes to market under the brand name of Birla White. It has a white cement plant with a capacity of 0.56 MTPA and 2 WallCare putty plants with a combined capacity of 0.8 MTPA. With 100+ Ready Mix Concrete (RMC) plants in 35 cities, UltraTech is the largest manufacturer of concrete in India. It also has a slew of speciality concretes that meet specific needs of discerning customers. Our Building Products business is an innovation hub that offers an array of scientifically engineered products to cater to new-age constructions. UltraTech pioneered the UltraTech Building Solutions (UBS) concept to provide individual home builders with a one-stop-shop solution for building their homes. This is the first pan-India multi-category retail chain catering to the needs of individual home builders (IHBs). The purpose of this initiative is to engage with home builders at all stages of the construction cycle, empower them with quality construction products and services, and assist in the completion of their dream homes.

AND

Madan Mohan Malaviya University of Technology (MMMUT), Gorakhpur has been established in year 2013 by the Government of Uttar Pradesh in the form of a non-affiliating, teaching and research University after reconstituting the Madan Mohan Malaviya Engineering College, Gorakhpur which was established in 1962 (Hereinafter referred to as "Party Two" which expression shall unless repugnant to the context or meaning thereof, mean and include its successors, executors and permitted assigns) of the Second Part.

Both MMMUT and UltraTech Cement Ltd. are referred to individually herein as a "Party" and collectively as the "Parties"

WHEREAS

UltraTech, as the leader of building solution industry, promotes good quality construction and latest technology for sustainable and durable infrastructure in the country. Towards this goal, company works closely with all stakeholders which includes construction industry, academic institutions, statutory bodies like BIS, IRC, ICI, IEI, etc. It also works to train skilled and unskilled manpower with the help of all the stakeholders so as to improve the quality of construction in the country. Company regularly conducts trainings for masons, contractors and young budding engineers for the latest construction techniques and offers exposure and experience by organising tours to construction sites for the same.

UltraTech Cement Ltd., in association with professional organizations and academic institutions, organizes workshops and technical seminars for construction professionals to share latest construction techniques and case studies on the same on regular basis. It also promotes sustainable and durable techniques like white topping and RMD technology for mass housing. It also works with academic institutes on research areas of common interest.

WHEREAS

Madan Mohan Malaviya University of Technology, Gorakhpur has been established in year 2013 by the Government of Uttar Pradesh in the form of a non-affiliating, teaching and research University after reconstituting the Madan Mohan Malaviya Engineering College, Gorakhpur which was established in 1962.

Fifty-seven batches of students have entered its portals to emerge after four years of rigorous education under the tutelage of some of the most venerable teachers, engineers ready to face the world and create new worlds.

Both MMMUT and UltraTech Cement Ltd., therefore, agree to work together in an integrated and collaborative manner in relation to the development of sustainable infrastructure for the country.

Article 1 – Broad Areas of Cooperation

MMMUT and UltraTech Cement Ltd. have identified the following areas of mutual interest:

1. Jointly work to accelerate, expand and achieve the National mission and aspiration in the area of infrastructure development through trainings, skill development and capacity building programmes launched by UltraTech Cement Ltd./MMMUT and towards better employability; enhanced job creation and entrepreneurship;
2. Share each other's facilities, infrastructure and resources for meeting the Institutional, National and Global objectives;
3. Invite each other's experts, faculty members, trainees and students to participate in various capacity building programmes, organized jointly or separately;

4. Jointly organize interactive sessions, workshops, refresher courses, round-tables, seminars and conferences, whenever and wherever feasible;
5. Extend preferential treatment to each other in levy of participation fee; infrastructure/facility usage fee, hostel fee, Guest House fee, etc;
6. Permit each other's faculty, trainees and students easy access to Campus, Library, Laboratory, Testing and other facilities;
7. Provide and share each other's Brochures/Flyers, Reading/Course Materials, Programme Information etc. and prominently display the same at Library, Notice Board, Website etc. as the case may be;
8. Jointly work towards enhancing industry-academia interface and aligning training, capacity building and skill development to meet the industry-specific requirements and for better employability;
9. Assist each other in "Training the Trainers" Programme, Entrepreneurship Development Programme, Standardization of Courses and Certification Programmes, Testing Protocols, Commercialization of R&D activities, etc. and
10. Jointly work towards enhancing and expanding the capacity, capability, facility and infrastructure through resource mobilization and aligning the capacity building, skill development and training programmes by forming national and international alliances and institutional partnerships.

The above areas of co-operation are indicative only and may be expanded or curtailed through mutual consultation.

Article 2 – Validity

The Memorandum of Understanding (MoU) will enter into force on the date of its signing and will remain valid till five (5) years. However, agreements concluded under this MoU shall be valid till end of contracting obligations and responsibilities of the concerned parties. The validity of this MoU can be further extended with the mutual consent of the parties in writing.

Article 3 - Termination

This MoU may be terminated by either party by serving three months (90 days) notice in writing, without assigning any reason, subject to completion of assignments in hand.

Article 4 – Governing Law

Laws of India shall govern this MoU.

Article 5 – Others

This Memorandum does not grant any exclusive right to any of the two Parties in the areas of cooperation that they mutually agree and shall not create any legal binding obligations upon either Party.

IN WITNESS THEREOF, the undersigned duly authorized thereto have signed this Memorandum of Understanding.
