

# Madan Mohan Malaviya University of Technology

## Gorakhpur – 273010, U.P., India

### Tentative Carry Over (Not Promoted Category) Exam Schedule for Session 2025-2026

| Date       | Day      | Time                | Subject Code | Subject title                                   | Dept.  |
|------------|----------|---------------------|--------------|-------------------------------------------------|--------|
| 09-07-2026 | Thursday | 10:00 AM – 01:00 PM | BAS_03       | Professional Communication                      | Pharma |
|            |          | 10:00 AM – 01:00 PM | BCE-102      | Mechanics of Structure                          |        |
|            |          | 10:00 AM – 01:00 PM | BCT_101      | Environmental Science                           |        |
|            |          | 10:00 AM – 01:00 PM | BCT_102      | Computer Application in Pharmacy                |        |
|            |          | 10:00 AM – 01:00 PM | BEC-207      | Digital Electronic                              | ECED   |
|            |          | 10:00 AM – 01:00 PM | BEE-205      | Analysis of linear system                       | EED    |
|            |          | 10:00 AM – 01:00 PM | BEE-206      | Fundamental of DCElectrical machine             | EED    |
|            |          | 10:00 AM – 01:00 PM | BHS-102      | Technical writing & professional comm.          | MED    |
|            |          | 10:00 AM – 01:00 PM | BME-155      | Engineering Thermodynamics                      | MED    |
|            |          | 10:00 AM – 01:00 PM | BME-202      | Fluid mechanics                                 | MED    |
|            |          | 10:00 AM – 01:00 PM | BME-208      | Theory of Machines                              |        |
|            |          | 10:00 AM – 01:00 PM | BSM-242      | Physical chemistry                              | CED    |
|            |          | 02:00 PM – 05:00 PM | BEC-210      | Electronic Devices & Circuits                   | ECED   |
|            |          | 02:00 PM – 05:00 PM | BEE-257      | Microprocessor                                  | EED    |
|            |          | 02:00 PM – 05:00 PM | EME-103      | Smart manufacturing                             |        |
| 10-07-2026 | Friday   | 10:00 AM – 01:00 PM | BCH-203      | Process Calculation                             | CED    |
|            |          | 10:00 AM – 01:00 PM | BCS-107      | Computer programming in civil engineering       |        |
|            |          | 10:00 AM – 01:00 PM | BCT_11       | Chemical engineering process calculations       |        |
|            |          | 10:00 AM – 01:00 PM | BEC-208      | Network Theory A & S                            | ECED   |
|            |          | 10:00 AM – 01:00 PM | BEE-207      | Electrical measurement and measuring instrument | EED    |
|            |          | 10:00 AM – 01:00 PM | BEE-258      | Network analysis & synthesis                    | EED    |
|            |          | 10:00 AM – 01:00 PM | BME-104      | Manufacturing practice workshop                 | MED    |
|            |          | 10:00 AM – 01:00 PM | BPT_17       | Pathophysiology                                 |        |
|            |          | 10:00 AM – 01:00 PM | BSM-262      | Operation Research                              |        |
|            |          | 02:00 PM – 05:00 PM | EEE-102      | Fundamental of power elect.                     | EED    |
| 13-07-2026 | Monday   | 10:00 AM – 01:00 PM | BCH-202      | Particular technology                           | CED    |
|            |          | 10:00 AM – 01:00 PM | BEC-209      | Electronic Means. & intru.                      | ECED   |
|            |          | 10:00 AM – 01:00 PM | BEE-152      | Principals of electrical engineering            |        |
|            |          | 10:00 AM – 01:00 PM | BEE-256      | Fundamental of AC electronic                    | EED    |
|            |          | 10:00 AM – 01:00 PM | BME-259      | Energy conversion                               |        |
|            |          | 10:00 AM – 01:00 PM | BCS-262      | Computer Organization and architecture          |        |
|            |          | 10:00 AM – 01:00 PM | BSM-211      | Complex variable and numerical techniques       | EED    |
