5. After Clicking on Update Preference Button, the Choice Filling window will open and candidate will be asked to fill the choices. The candidate will fill the choices and click on Submit Preference button.

The screenshot shows the admission portal for Madan Mohan Malaviya University of Technology. At the top, there is a search bar with the text "SEARCH COURSES, COLLEGES...". Below the search bar is a table with six rows, each representing a preference. The table has two columns: "Preference" and "Choice".

Preference	Choice
Preference 12	Bachelor of Technology(Mechanical Engineering)
Preference 13	Bachelor of Technology(Electrical Engineering)
Preference 14	Bachelor of Technology(Electronics & Communication Engineering) (TFW)
Preference 15	Bachelor of Technology(Chemical Engineering) (TFW)
Preference 16	Bachelor of Technology(Electronics & Communication Engineering) (TFW)

At the bottom of the page, there is a "Home" button on the left and a "Submit Preferences" button on the right, which is highlighted with a red box.

6. After Clicking on Submit Preference Button, A Confirm Preference Submission Pop-up will appear for declaration. The candidate will read the declaration and click on Submit and Lock Button to save the filled choices.

Please note that candidate will have option to update preference even after clicking on Submit and Lock Button. Candidate will be able to change choices multiple times till the choice filling window is closed.

The screenshot shows a "Confirm Preference Submission" pop-up window. At the top, there is a close button (X). Below the title, there is a text box with the following text:

Important: Once submitted, these preferences will be considered for final processing and seat allocation. Please review all selected preferences carefully before proceeding.

Below the text box, there is a checkbox with a blue checkmark and the following text:

I hereby declare that I have carefully filled and verified my choices and their order of preference. I understand that, once locked, these choices are final and cannot be altered or modified under any circumstances in subsequent rounds of counselling. I further understand that all rounds of seat allotment will be conducted based on these locked choices.

At the bottom of the pop-up, there are two buttons: "Cancel" and "Submit and Lock". The "Submit and Lock" button is highlighted with a red box.

7. After Clicking on Submit and Lock Button, the list of filled choices will appear. Please note that if a candidate has filled only four choices then four choices will appear and rest choices will appear as No Program Selected.
