To serve society as a center of higher learning, providing long-term societal benefits through transmitting advanced knowledge, discovering new knowledge and functioning as an active working repository of organized knowledge.

To take leadership role by providing need based programmes in engineering and technology, applied science, management, humanities, architecture, pharmacy, retail and fashion design, mass communication, agriculture and other employable courses in emerging areas.

To promote compassionate care of the highest quality that translates new knowledge into meaningful improvements in technological outcomes through interdisciplinary collaboration, fiscal responsibility, support of diversity, and focus on quality.

To develop the culture of professionalism, to establish value based networks and foster relationship with other leading institutes of higher learning and research, alumni and industries in order to provide significant contribution to national and international development.

To create an intellectually stimulating infrastructure and conducive environment for technology, research, scholarship, creativity, innovation, entrepreneurship and professional activity for service to community and economy.

## Vision

To facilitate and promote studies, research, technology, incubation, product innovation and extension work in Science, Technology and Management Education and also to achieve excellence in higher technical education.

“

Madan Mohan Malaviya University of Technology (MMMUT), Gorakhpur has grown to become the national flagship of UP state Government, known for the excellence of its teaching to the national and international communities. MMMUT has been strategically created (established in 2013) on the legacy of success presented by Madan Mohan Malaviya Engineering College Gorakhpur (established in 1962 by Government of U.P.) towards providing cutting edge learning technology internationally, benchmarked education and critical research opportunities in frontier areas of contemporary concern.

The University has more than 4500 students of whom 3800 are undergraduate students in eight B.Tech Programmes, i.e. Civil Engineering, Electrical Engineering, Mechanical Engineering, Electronics & Communication Engineering, Electronics and Communication Engineering(Internet of Things), Computer Science & Engineering, Information Technology & Chemical Engineering along with BBA, MBA, MCA & MSc (Physics, Chemistry & Mathematics) University is running M.Tech. program in 12 disciplines and full/part-time PhD. program in number of disciplines as part of Quality Improvement Program of MHRD, University fellowships. & TEQIP-III project. The confidence posed by the industries for our institute is indicated by the fact that maximum students are placed and are serving in various leading global industries..

**Prof. J.P. Saini**

Hon. Vice Chancellor

”

**Prof. V.K. Dwivedi**

Chairman, Training & Placement Cell

“

Madan Mohan Malaviya University of Technology, Gorakhpur is one of the established university of India. It is my pride and privilege to share few facts about placements as it has always been a vital ingredient for endorsing students potentiality. Also it's always an endeavour for entire academic fraternity to raise the placement bar year on year by imparting essential technical and non-technical techniques to students due to which they become competent to face the industry challenges.

I am also proud to say that MMMUT has faced the challenges successfully. This is possible due to outstanding efforts of the faculty and of the bright students who are selected after a stringent process. Our alumni have achieved tremendous success in all sphere and this bears an eloquent testimony to our efforts. I take pride in cordially inviting you to participate in our endeavour and look forward to welcoming you for the recruitment program.

# ABOUT MMMUT

“योग: कर्मसु कौशलम्”

EXCELLENCE IN ACTION IS YOGA

**Madan Mohan Malaviya University of Technology,** Gorakhpur was established in 2013 by the Government of Uttar Pradesh as a non-affiliating, teaching, and research university, after the reconstitution of Madan Mohan Malaviya Engineering College, Gorakhpur, which was originally founded in **1962**. The sixty-third batch of students has entered its portals, set to emerge after four years of rigorous education under the tutelage of some of the most venerable teachers—engineers ready to face the world and create new ones.
